Taking Stock With Lisa Brown Podcast; Shocked by Your 2019 Tax Bill

Submitted by asd Lisa Brown on 05/30/2019 - 10:26

I'm excited to share that I've started a new podcast, ***Talking Stock with Lisa Brown***. The first

episode is *Shocked by your 2018 Tax Bill?*

Many people are still in shock after filing their 2018 Federal and state income taxes. Because the new Federal tax law — the 2017 Tax Cuts and Jobs Act — reduced marginal tax rates, many people expected a refund would be coming their way. But for some high-income households, that turned out not be the case.

You're more than welcome to share with friends and colleagues. Please send me your comments and suggestions for future episodes, and thanks for listening. [2]
